/ WORK EXPERIENCE

>> Workday Integrations Consultant

Alight Solutions | Jan 2021 to present

Built EIB and Connector integrations in Workday to allow for seamless data transfer using XSLT, XPath, and XQuery functions.

Participated in software development life cycle phases by collecting requirements, building, migrating, testing, and debugging integrations.

Created wireframe designs for Workday Extend applications to communicate client needs to developers using Adobe XD.

>> Adjunct Instructor

Aurora University | Aug 2021 to Dec 2021

Taught 36 juniors and seniors to design and implement database systems using a collaborative approach.

Developed course material, including powerpoints, assignments, and in-class activities, to improve instruction quality from previous years.
